

AIVLOSIN[®] (Tylvalosin) Veterinary Feed Directive

(VFD)

Attending veterinary practitioner: _____ Client Name: _____

Address: _____ Home or Business Address: _____

Telephone: _____ Telephone: _____

ANIMALS TO BE TREATED

Species: Swine Any other identification of animals: _____

Approx. number to be treated: _____ Animal location: _____ Approx. age/weight (optional): _____

APPROVED INDICATION FOR USE:

Control of porcine proliferative enteropathy (PPE) associated with *Lawsonia intracellularis* infection in groups of swine in buildings experiencing an outbreak of PPE.

Use of feed containing this veterinary feed directive (VFD) drug in a manner other than as directed on the labeling (extralabel use) is not permitted.

This VFD only authorizes the use of the VFD drug cited in this order and is not intended to authorize the use of such drug in combination with any other animal drugs.

LEVEL OF TYLVALOSIN IN TYPE C MEDICATED FEED AND DURATION OF USE:

38.6 grams per ton (42.5 ppm) Tylvalosin for 14 consecutive days.

CAUTION:

To assure both food safety and responsible use in swine, concurrent use of tylvalosin Type A medicated article in medicated feed and tylvalosin or another macrolide in medicated drinking water or by any other route of administration should be avoided. Not for use in swine intended for breeding. The effects of tylvalosin on swine reproductive performance, pregnancy, and lactation have not been determined. VFDs for tylvalosin shall not be refilled.

► **WITHDRAWAL PERIOD: No withdrawal period is required before slaughter for human consumption.** ◀

USER SAFETY WARNINGS:

Not for use in humans. Keep out of reach of children.

May cause skin irritation. Tylvalosin has been shown to cause hypersensitivity reactions in laboratory animals. People with known hypersensitivity to tylvalosin should avoid contact with this product. In case of accidental ingestion, seek medical attention.

Other pertinent information (optional): _____

Veterinarian signature: _____

VFD Date of Issuance: _____ (Month/Day/Year)

VFD Expiration Date: _____ (Month/Day/Year) (Not to exceed 6 months after the date of issuance)
