¹ Guarantee required only when nutrient added except when the feed is intended, represented or serves as a
principal source of the nutrient.

² Sodium guarantee required only when total sodium exceeds that furnished by the maximum salt guarantee.

INGREDIENTS

Ingredients as defined by AAFCO

FEEDING DIRECTIONS

Feed continuously for 7-14 days as the sole ration.

Withdrawal Periods and Residue Warnings: Do not feed to chickens producing eggs for human
consumption. Do not use in low calcium feed containing less than 0.55% dietary calcium. Use in
such feeds may result in violative residues. No withdrawal period is required when used according
to labeling at 100-200 g/ton use levels.
