

Product Profile

Pennchlor S 10/10[®]

Chlortetracycline, Sulfamethazine Type B Medicated Feed

Product Description

- **Antibacterial combination premix for oral administration in feed to swine**
- **Each pound of premix contains 10 grams of chlortetracycline activity and 10 grams (2.2%) of sulfamethazine**

Formulation

- Free-flowing meal feed medication.
- Ingredients: Chlortetracycline calcium complex, sulfamethazine, calcium carbonate, magnesium-mica, roughage products, mineral oil.

FDA Status

- **CAUTION:** Federal law restricts medicated feed containing this veterinary feed directive (VFD) drug to use by or on the order of a licensed veterinarian.
- Type B Medicated Feed for use in the manufacture of swine feeds.
- Category II drug; does not require a feedmill license (Type B).

Swine Indications

- Reduction of the incidence of cervical abscesses.
- Treatment of bacterial swine enteritis (salmonellosis or necrotic enteritis caused by *Salmonella choleraesuis* and vibronic dysentery).
- Prevention of bacterial swine enteritis (salmonellosis or necrotic enteritis caused by *S. choleraesuis* and vibronic dysentery) during times of stress.
- Maintenance of weight gains in the presence of atrophic rhinitis.

Withdrawal Period

- 15 days.

Packaging

- 50-lb, fuchsia color-coded bags.

Key Features

- **Combination of two potent antibacterial agents, providing broad-spectrum activity.**
- **Readily absorbed, providing effective blood and lung tissue concentrations.**
- **Cost-effective medication for effective control of enteritis.**
- **Helps prevent disease during times of stress.**
- **Appropriate for use in starter formulations.**
- **Type B feed, does not require a feedmill license.**
- **Free-flowing formulation promotes consistent mixing.**
- **Wide safety margin.**
- **Color-coded bag for easy identification.**
- **High-quality manufacturing at US Pharmgate facilities according to FDA requirements.**

The labeling contains complete use information, including any cautions and warnings. Always read, understand and follow the labeling and use directions. See the reverse side for use directions and additional information.
